COMMUNICATION

Sir:

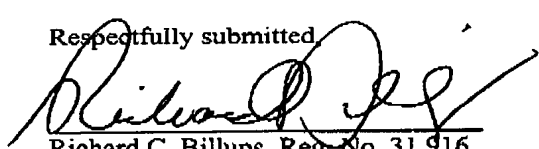

This communication is in response to the Notice to Comply With Requirements for Patent Applications Containing Nucleotide and/or Amino Acid Sequence Disclosures dated April 9, 2007.

This application does not contain any sequences. Consequently no electronic copies of listings of nucleic acid or amino acid sequences are required.

If there are any questions in connection with the captioned patent application, please telephone the undersigned.

Respectfully submitted,

By

  
Richard C. Billups, Reg. No. 31,916  
Attorney for Applicants
